Our teachers are looking forward to a new year! The website is getting an update and our schedule for the year will be posted on the website soon!

From the desk of Fr. Paul

By this time, most college students are back on campus or taking classes online and elementary and high school students are gearing up for the new school year. We all pray that the beginning of the school year will be blessed for all of our students!

The past few weeks, I have been sharing some prayers that are helpful in everyday situations. Today, I want to share some prayers specifically for students and for successful and grace-filled studies. These can be helpful for both students and teachers!

A Prayer for Young Students

Lord Our God, in your wisdom and love you surround us with the mysteries of the universe. Send your Spirit upon me and fill me with your wisdom and blessings. Grant that I may devote myself to my studies and draw ever closer to you, the source of all knowledge. We ask this through Christ our Lord.
Amen

A Student's Prayer by St. Thomas Aquinas

Creator of all things, true source of light and wisdom, origin of all being, graciously let a ray of your light penetrate the darkness of my understanding. Take from me the double darkness in which I have been born, an obscurity of sin and ignorance. Give me a keen understanding, a retentive memory, and the ability to grasp things correctly and fundamentally. Grant me the talent of being exact in my explanations and the ability to express myself with thoroughness and char. Point out the beginning, direct the progress, and help in the completion. I ask this through Jesus Christ our Lord. Amen

And if you are really in a pickle before an exam you can pray through the intercession of St. Joseph Cupertino who wasn't the best student, but God helped him to finish seminary to be ordained as a priest. The story goes that St. Joseph of Cupertino did not have the best memory so he only memorized one Biblical passage. It turns out that when he faced his oral exam, the examiner asked him about the very passage that he had studied. By no means do I encourage students to be unprepared for their exams, however, if they find themselves in this situation, St. Joseph of Cupertino, is the guy!

St. Joseph of Cupertino prayer before an Exam

O Great St. Joseph of Cupertino who while on earth did obtain from God the grace to be asked at your examinations only the questions you knew. Obtain for a like favor in the examinations for which I am now preparing. In return I promise to make you known and cause you to be invoked. Through Christ our Lord. Amen

Congratulations to Joshua Truver who was the recipient of our Sacred Heart Scholarship Award for our high school seniors. Thank you for your dedication to our church. We wish Joshua and all of our students who are off to work or college God's abundant blessings!

If you would like your child to be considered for the scholarship, for next year they must be active in the parish. Including attending Mass regularly! If you are looking for volunteer opportunities, please call the parish office!

Eternal rest grant unto them, O Lord, and let perpetual light shine upon them. May they rest in peace. Amen. May their souls and the souls of all the faithful departed, through the mercy of God, rest in peace. Amen.

May the prayers of Mary, the Mother of God, who stood by the cross as Her Son was dying, help those who mourn for our brothers and sisters and accompany all of us in our time of need. Amen.
