**John 8:1-11-5<sup>th</sup> Sunday of Lent  
"The Role of Women"**

In today's Gospel the women mentioned are serving by helping Jesus and his disciples. The role of women in the Church today leaves some disappointed, but the following story, written anonymously, shows the truly unique and awe-inspiring role of women "The most important person on earth is a mother. She cannot claim the honor of having built Notre Dame Cathedral-she need not. She has built something more magnificent than any cathedral- a dwelling for an immortal soul, the time perfection of her baby's body. Not even the angels have been blessed with such grace. They cannot share in God's creative miracle to bring new saints to Heaven. Only a human mother can. Mothers are closer to God the Creator than any other creature: God joins forces with mothers in performing this act of creation. What on God's earth is more glorious than to be a mother.
