<p><i>We Remember Those Who Have Died</i></p> <p><i>Larry Dupere and Terence Hayes</i></p> <p><i>Eternal rest grant unto them, O Lord, and let perpetual light shine upon them, Amen.</i></p> <p>The Sanctuary Lamp for March is in honor of</p> <p><i>Krystyna, Rey, Natallie, Nathanel, Kaileigh, & Zacharey by Mom</i></p> <p>The Hosts for the Month of March are in memory of</p> <p><i>Larry Dupere by Dee Muniz</i></p>	<p>From the Desk of Fr. Paul</p> <p>Something fascinating is happening in our country. Have you noticed it? There is a very current surge of religious fervor throughout our country. The movie Jesus Revolution outperformed Marvel’s new release Ant-Man Quantomania in the box office by nearly ten million dollars! Not to mention the religious revival that took place in Asbury! Throughout most of February, college students led a 24/7 praise and worship revival! Something amazing is happening! And we are here for it!</p> <p>Two weeks ago, we read from Matthew’s account of the Transfiguration. Jesus led Peter, James and John up the mountain of Tabor and then Jesus’ clothes shone bright as the sun and Moses and Elijah appeared by his side representing the law and the prophets. When the three disciples saw this amazing spectacle, they were in awe. Peter did not want this amazing event to end and wanted to build tents to set camp there for who knows for how long. Maybe indefinitely! To which God the Father speaks and says, “This is my beloved Son, listen to him.”</p> <p>I mention this Gospel story because it speaks to what is happening in our country. There is no question that our nation is in desperate need of Jesus. Whether it be political upheaval, the loneliness and loss that came from COVID and many other causes have increased a deep longing within people. Most people tried to fill that void with worldly things, but that has left people feeling more alone, with greater anxiety and increasing feelings of despair. The mental health crisis in our country only grows greater, exacerbated by the surrounding circumstances of the past couple of years. With that, there has been a growing longing for wholeness and healing within our country within all generations.</p> <p>The Transfiguration reminds us that religious experiences are real, and God wants to impact our lives in ways that we can’t even imagine. This is evident in Asbury and the remarkable attendance nationwide to see the Jesus Revolution movie. But similar to the Transfiguration story, Jesus calls us down from the mountain to then share that with other people, “Come see Jesus who changed my life, and he can change yours too.” Many of us have beautiful religious experiences that have formed us and have confirmed belief in God.</p> <p>In recent years, we have been plagued by the collective sense that faith is only meant to remain in the personal sphere. God has been pushed out of our schools, our political sphere and slowly out of family life. I pray that this period of revival in our country will embolden people to share their faith because the alternative is not working. We desperately need Jesus, we need these Transfiguration and revival moments in our lives to spark the gift of the Holy Spirit within us and to stir our souls to love as God does. But to make this happen we first need to climb the mountain, we need to take the first step. A few suggestions for those first few steps, go to Adoration (every Wednesday at St. James), go to Confession, and clean your soul, increase a longing for the mystery of Jesus in the Eucharist and receiving him at Mass, pray together as a family, don’t be afraid of sharing Jesus with others. Lord let revival take place in our hearts! Bring the fire of your Holy Spirit!</p>
<p><i>Thank you to the Craig & Kaity Felton and the 2nd/3rd grade class for lectoring and ushering tomorrow/today. Faith Formation classes and parents please join us directly after the 10:00 am Mass for some family time. Enjoy some refreshments and we will be making a Resurrection Garden for your Holy Week and Easter Table.</i></p>

<p>Sometimes we get a little nervous about going to confession or coming back to confession after a long absence. Don’t be afraid. The priests are here to help you and are very happy that you have decided to come. Don’t let fear or uncertainty stop you! The great thing is you will have multiple priests to choose from to hear your confession on that day. Let us pray this prayer together!</p>	
<p><i>O most merciful God, enlighten me, for you know all my ways and observe all my footsteps. Come, true light, and dispel the darkness of my heart I may be sorry for my sins, rightly confess them, and amend my life. Send forth your light into my soul, and show to me all those sins which I ought to confess at this time. Assist me by your grace, and grant me courage and strength, that I may be able to declare them to the priest, fully, humbly, and with a contrite heart, and so obtain perfect remission of my sins through your infinite goodness. Amen</i></p>
